

Fitting-Out jamboree Sunday 26 April 2009

*Is your boat feeling lonely and unloved?
Or tired and worn-out by lots of use?
Either way, it deserves some TLC*

News flash:
NO snow this
year. So no
excuses!

Don't wear your Sunday best!

- Boat clinic available all day
 - Get some advice in what your ship needs most
- Tuning checklists available for every class
 - Get expert help to tune and calibrate your rig
- Fix those things you've "not got around to" before they break
- Have a good clean up
 - You will feel better for it
- Lubricate those sticking fittings
- Come and join the racing to test your efforts

*Kitchen & Bar
open for
essential
refuelling*

Not this

Then this!

This

GUILDFORD MARINE are providing a pre-order service for those essential bits

We will provide

- Pro-Lub (marine lubricant)
- Footpump for flat tyres
- Tape measures for boat calibration

Things to bring if you can

- Your bag of spares, toolbox and WD40
- A permanent magic marker
- Bucket, sponge, scrubbing brush, Flash
- Some dosh
- Your sailing kit

And for the perfectionists:

- T-cut, car polish and cloths
